Thoughts on the hero:			
		What stood out t	the most to you? Autying impactful?
Thoughts on the heroine:			

## Thinking Points

Did the character's actions stay true to their thoughts?			
Did the dialogue/banter flow naturally or did it feel forced or robotic?			
Did you have any favorite quotes?			
Are the relationships moving forward?			
Does the story have any lulls			
Do the characters act their age?			
If the story dual POV, do you always know who is talking?			
Did you find any plot holes?			
Did if make you feel? Did you laugh out loud? Did you cry? Scream?			
Do the dialect/regional facts fit the region the characters live?			
Is the story well researched? Ex. Are the correct medical terms used			
If the story is a standalone, was everything resolved?
